

## CHM 1045 Fall 2001 CHEMISTRY HELP!

**THERE ARE LOTS OF PLACES TO FIND PEOPLE TO TALK TO ABOUT CHEMISTRY. TRY ONE OR MORE OF THE FOLLOWING!**

| <b>1045 Instructors</b>         | <b>Office Hours</b>              | <b>Office</b> | <b>Phone</b> | <b>e-mail</b>              |
|---------------------------------|----------------------------------|---------------|--------------|----------------------------|
| Dr. Robley Light (8:00 & 12:20) | MW 1:30 - 2:30,<br>WF 9:15-10:15 | DLC 204       | 4-3844       | rlight@garnet.acns.fsu.edu |
| Dr. Lev Gelb (10:10)            | WR 5:00 - 6:00                   | DLC 226       | 5-0363       | gelb@chem.fsu.edu          |
| Dr. Susan Allen (1:25)          | MW 2:30 - 3:30                   | DLC 316       | 5-3206       | sdallen@mailier.fsu.edu    |
| Ms. Beth Pulliam (labs)         | M 9-10, T 11:30-12:30            | DLC 517       | 4-3491       | pulliam@chem.fsu.edu       |

Instructors also make appointments if regularly scheduled office hours conflict with your schedule.

### 1045 Lab TAs and Recitation Instructors

All office hours shown below will be held in the Chemistry Help Room, HTL 124, Phone number: 644-4588. This room is open from 8 to 4 almost every day, so go for help from your TA or another helpful 1045 person.

|      | <b>Monday</b>                          | <b>Tuesday</b>                      | <b>Wednesday</b>                        | <b>Thursday</b>                         | <b>Friday</b>                        |
|------|--|-------------------------------------|---|---|--------------------------------------|
| 8am  |  |                                     | Ryan Oyler                              | Ryan Oyler                              | Ashley Stowe                         |
| 9am  | Terrie Moore                           |                                     | Stephanie T-Romans                      | <u>Tanner Schaub</u>                    | Ashley Stowe                         |
| 10am | <u>Charlton Riegner</u><br>Dan Osborne | Karen Brown<br>Brent Ginn           | Dan Osborne<br>Husam Jumaa              | <u>Tanner Schaub</u>                    | Saritha Nellutla                     |

### Other sources of help!

A list of chemistry tutors for hire is available in HTL 208.

Alpha Chi Sigma, the Chemistry Fraternity, usually offers tutoring sessions before exams in CHM 1045 and CHM 1046. Look for signs posting times and places.

**NOTE:** Sometimes office hours must be changed after publication. See posted schedule on door of HTL 124 for updates to this document.
